The Train Museum

Aira loves trains. Two months ago, a new train museum opened in her city. Aira, her father, and her best friend Rena visited it. They learned about the history of trains. They also took lots of photos of old and new trains. Rena really enjoyed the big train diorama.* Aira liked the train simulator.* After they left, Aira said, “I want to spend a whole week* there!”

Then, they saw a poster. It said, “The museum needs volunteers.” Aira and Rena wanted to volunteer. They talked to a museum worker. The worker asked them about their free time. Aira and Rena play soccer on Sundays, and they go to school on Saturday mornings. Aira said, “We can work on Saturday afternoons.”

Aira started working at the information desk. She answers people’s questions. Rena is a tour guide. She tells people about all the trains. They feel very lucky because they can volunteer at such a great museum.
